Welch Allyn CP 150™ Electrocardiograph

Simple. Fast. Connected.

The user-friendly CP 150—designed to help improve your practice workflow.

- Seven-inch color, touch-screen display for fast and easy entry of accurate patient information
- Instant-on feature powers the device up quickly and lets you take an ECG at a moment's notice
- Preview ECG reports on-screen prior to printing
- Three-, six-, or 12-lead ECG preview
- Optional adult and pediatric MEANS ECG interpretation software offers a second opinion
- Battery operation lets you easily transport your device to the patient
- Store up to 100 test results on the device or transfer to a USB memory stick

TOUCH-SCREEN KEYBOARD

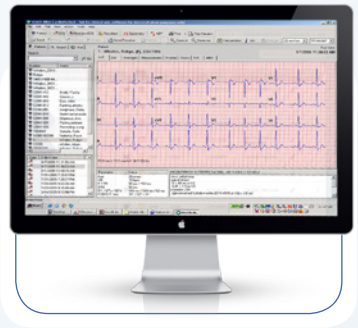
No need to track between the display and keyboard, helping you to save time and reduce errors.

LEAD QUALITY DISPLAY

Allows you to quickly and easily identify lead connection problems.

Welch Allyn®

Choose the Connectivity Options to Match Your Workflow



Welch Allyn CardioPerfect Workstation

Bring your cardiopulmonary data together with the Welch Allyn CardioPerfect® Workstation

- Manage patient information and tests performed with the full suite of Welch Allyn cardiopulmonary devices
- Get paperless efficiency
