

Product Accessories

Patient monitoring and ventilation

are vital to the care provided in primary care facilities, from emergency rooms to specific procedures to EMS. Smiths Medical brands offer reliable, easy-to-use equipment, designed with features that allow efficient management of patient care. A full range of accessories makes it possible to customize these products to suit each environment's specific needs and to assist with providing patient comfort.

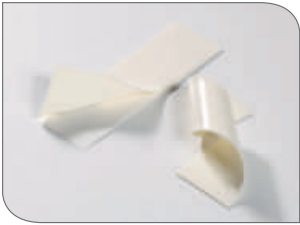

Oximetry, Capnography, Mounting, Blood Pressure, Cables and Ventilator accessories are designed with the durability and dependability you've come to expect from the BCI® and Pneupac® brands. These accessories deliver the performance you need to fulfill all your patient monitoring requirements.

For more information, visit smiths-medical.com/bci or smiths-medical.com/pneupac
