

Magnifiers

Wave[®] Plus

A larger viewing area and 30% more intensity than conventional magnifier-type lights!

The Wave[®] Plus has a new sleek design to complement your office décor. Its unique, powerful 3.5 diopter magnifier is superior in both form and function. Plus, two independent fluorescent light bulbs offer 30% more intensity and enhance optical performance for your exams and surgical procedures.

The Right Light

PHILIPS
burton
